

CRAP AWARE CAMPAIGN

IMPORTANT: Your mobile Phone may contain CRAP - Don't PANIC! - We can help you >>

If you still think Loud, 'funny' ringtones expresses who you are as an individual - uh-oh...

If you still think adorning your mobile phone with the latest pictures of B list celebrities cartoon characters smoking spliffs, and women with their tits out is unique and truly represents you as an intelligent thinker...

then please stop reading in fact, if you thought the two points raised above were still 'cool' - then I'm surprised you got this far without asking what words like 'adorning' mean.

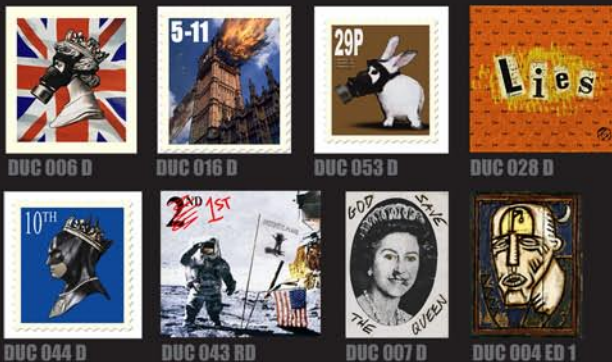

If, on the other hand, - you class yourself as individual, free thinking and wish to say a little more about yourself through a new mixture of art and technology, then please read on.

Now for something completely different... Contemporary art for Contemporary people. Made individual... for the individual. Duck-Art has such free-thinking artists as James Cauty, Jamie Reid, Sexton Ming, Billy Childish and STOT21cPlanB amongst others.

Make it your own... Now you can crop, zoom in, zoom out and move the image around before you download it. making no two downloads the same and ensuring your choice is unique.

Become an Art Collector... Visit duck-art.com and start your Collection now. You can download exclusive and limited edition artwork and even buy highly collectable prints some signed by the Artists. A gallery in your hand or at home...
